## ENGAGEMENT TEAM UPDATES

### Summer Engagement

Oak Ridge National Labs are engaging GCC to help establish a strategy to ensure ORNL has the components of the best

business and science ecosystem to help elevate them to the next level. We plan on beginning this engagement on August 1st.

## **GCC Case Competition**

Last semester, we piloted a GCC-wide case competition which was widely successful. It was an incredible opportunity for our current and onboarding members to collaborate in this competition. We are also extremely excited to announce that we will be launching the UofSC-wide competition this fall!

## **Expanding Corporate Relations**

We are so proud of all of the summer internships and FTO acceptances our members have received. We plan to host panels and information sessions from even more firms this year to truly show the diversity of the field of consulting. If you have interned or accepted a job at a firm that would like to present to our organization, please contact [Kavya Patchipulusu](#) or [Kailee O'Donnell](#).
